

Luxurious amenities throughout this custom designed chef's kitchen, with hand picked granite counter tops and state of the art appliances. Sub-Zero refrigerator and separate freezer, Thermador ovens and cooktop, built in Miele cappuccino center. There is an abundance of custom cabinetry accentuated with designer lighting.

The lower level offers entertainment areas with an oversized fireplaced recreation room, private pub area, dedicated home theatre room and wine cellar with adjacent wine tasting room and plenty of room for games and billiards!
